Collaborative Achievement Team Process

We have implemented Collaborative Achievement Teams within our house structure at the 9th and 10th grade team level. The teams share 60 kids and include an English teacher, social studies teacher, counselor, Special Educator, assistant principal and a campus monitor. The teams utilize a protocol and a flow chart to make decisions regarding interventions at the individual level. This work is connected to our Positive Behavior Intervention and Support initiative.

School Demographics (%)						provided by Westview HS, 2007	
African American	White	Asian	Hispanic	Native American	Other Ethnicity	Free & Reduced Lunch	Total # of students
4	62	20	8	1	4	25	2,650

Professional Development to help move teaching and learning forward

- Data team training in connection with Doug Reeves and the Center for Student Performance
- Functional behavior thinking and teaching in connection with Positive Behavior Interventions and Supports
