

Identify gaps between existing and desired practice

Continuous program improvement

What is needed to move existing practice toward desired practice?

Teams engage in continuous program improvement

Teams use a variety of student data to reflect on practice

Teams use stakeholders' and colleagues' input to reflect on practice

Teams set and pursue professional development goals that match SLC improvement needs

Analyze strategies to adopt

Continuous program improvement

	Strategy	Strategy	Strategy	Strategy
Description of strategies				
Needs that it addresses and other strengths				
School strengths, uniqueness it builds on				
Professional development and resource requirements				
Need for change, adjustment in other areas of the school				

Implement the Plan

Continuous program improvement

WHO will take..	what ACTIONS to implement adopted strategies	Sep	Oct	Nov	Dec	Jan	Feb	Mar	Apr	May	Jun	Jul	Aug
